Cedar Claims Process Guide

What to send with a claim

This is a fictional claims guide written for software testing. Every claim must include an itemized bill, a completed claim form CF-10, proof of payment and a copy of the member ID card. Claims can be submitted through the online portal or by mail to PO Box 4410.

Deadlines

Claims must be submitted within 180 days of the date of service. Out-of-network emergency claims must be submitted within 90 days. Appeals must be filed within 60 days of the denial notice.

The insurer responds to a claim within 30 days. Appeal decisions are issued within 45 days.

Pre-authorization

Pre-authorization is required for MRI scans, CT scans and inpatient stays longer than 2 days. Pre-authorization is not required for emergency care.

Common denial reasons

Claims are denied for missing documentation, services that are excluded, or a lapse in coverage. Duplicate claims are rejected.
