EXAMPLECARE SILVER PLAN

SYNTHETIC TEST DOCUMENT — NOT A REAL INSURANCE POLICY

---

1. Plan Summary

This fictional plan is created only to test text extraction and OCR in HealthDoc AI. The plan year is January 1 to December 31, 2026.

2. Key Benefits

- Annual deductible: INR 10,000 per covered member
- Annual out-of-pocket limit: INR 50,000 per covered member
- Primary care visit: INR 300 copayment after deductible
- Specialist visit: INR 600 copayment after deductible
- Emergency department: INR 2,000 copayment; waived if admitted
- Preventive check-up: covered at 100% in-network, with no deductible

3. Eligibility and Enrollment

Employees working at least 30 hours per week may enroll. Enrollment must be completed within 30 days of the employee's start date. A qualifying life event, such as marriage or the birth of a child, allows a change request within 30 days of that event.

4. Coverage Rules

In-network services use the cost-sharing values listed above. Out-of-network services are not covered, except for emergency stabilization. Prior authorization is required for planned MRI scans and selected outpatient procedures. A prior authorization request does not guarantee payment.

5. Claim Review Workflow

1. Check that the claim contains all required fields.
2. Verify member eligibility and the service date.
3. Compare the claim with the plan's coverage rules.
4. Send claims with missing information for manual review.
5. A reviewer checks documentation before a final decision.

6. OCR Test Questions

A. What is the annual deductible?

B. How much is the specialist visit copayment?

C. Which services require prior authorization?

D. Does prior authorization guarantee payment?

E. What is the enrollment deadline?
