Northwind Health Plan: Member Policy

Who can enroll

This is a fictional policy written for software testing. Applicants must be aged 18 to 64 at enrollment. Children of a member may be covered as dependents up to age 26. Every member must live inside the Northwind service region to stay enrolled.

Coverage limits and costs

The annual coverage limit is $250,000 per member per policy year. The individual deductible is $1,500 each policy year. The out-of-pocket maximum is $6,000 per member each policy year.

Exclusions

The following services are excluded: cosmetic surgery, experimental treatments, infertility treatments and injuries from professional sports. Services received outside the service region are not covered, except emergency care.

Exception: reconstructive surgery needed after an accident is covered even though cosmetic surgery is excluded.

Waiting periods

Non-emergency inpatient hospital care has a waiting period of 90 days. Maternity care has a waiting period of 10 months. Emergency care has no waiting period.

Prescriptions and dental

Generic prescription drugs have a copay of $10. Brand-name drugs have a copay of $40. Specialty drugs require prior authorization before the pharmacy can fill them.

Dental care is covered only for accidental injury. Routine dental cleanings and fillings are not covered.

Renewal

The policy renews every January 1. A grace period of 31 days applies to late premium payments.
